

Order Cancellation Policy

Sample e-commerce knowledge base document — Refunds

1. Cancelling Before Dispatch

Orders can usually be cancelled free of charge any time before the seller marks them as shipped, directly from the 'My Orders' page.

2. Cancelling After Dispatch

Once an order has shipped, it can no longer be cancelled directly. Customers must wait for delivery and then initiate a return, or refuse the parcel at the door.

3. Seller-Initiated Cancellations

- Item out of stock.
- Pricing or listing error identified by the seller.
- Failed payment verification or suspected fraudulent order.

4. Refund After Cancellation

Any amount already charged for a cancelled order is refunded in full using the original payment method, following standard refund processing timelines.
