

Return Policy

Sample e-commerce knowledge base document — Returns & Delivery

1. Eligibility for Returns

- Items must be returned within 7–14 days of delivery, depending on category.
- Products must be unused, unwashed, and in original packaging with tags attached.
- Certain categories (innerwear, perishables, personal care, made-to-order items) are non-returnable for hygiene or customization reasons.

2. How to Initiate a Return

- Go to 'My Orders' and select the item you wish to return.
- Choose a reason for the return and submit the request.
- A courier will be scheduled for pickup, or you may be asked to drop the item at a nearby collection point.

3. Return Categories

Category	Return Window
Electronics & Appliances	7 days
Fashion & Apparel	14 days
Beauty & Personal Care	Non-returnable (unless defective)
Home & Living	10 days
Groceries & Perishables	Non-returnable

4. Quality Check

Returned items go through a quality check upon receipt at the warehouse. If the item fails inspection (e.g., signs of use, missing accessories), the return may be rejected and the item sent back to the customer.

5. Delivery Timelines

- Standard delivery: 3–7 business days depending on location.
- Express delivery: 1–2 business days in select cities (where available).
- Delivery times may be extended during peak sale periods or due to weather/logistics disruptions.

6. Failed or Delayed Deliveries

If a delivery attempt fails, the courier will typically attempt redelivery up to 2 more times before the order is returned to the seller. Customers are notified via SMS/app notification before each attempt.
