

Seller Commission & Payout Policy

Sample e-commerce knowledge base document — Sellers

1. Commission Structure

Commission is charged as a percentage of the item's selling price and varies by product category. A separate payment processing fee may also apply.

2. Payout Cycle

- Payouts are typically processed on a weekly or bi-weekly cycle.
- Funds become eligible for payout after the return window for a given order has closed.
- Sellers can view pending, processing, and completed payouts in the seller center dashboard.

3. Deductions

Payouts may be adjusted for refunds, return shipping costs, penalties for policy violations, or promotional cost-sharing agreed at listing time.

4. Tax & Invoicing

Sellers are responsible for issuing tax-compliant invoices where required by local law, and for reporting income from marketplace sales according to applicable regulations.

This document is a sample / template policy created for knowledge-base and training purposes. It is not an official Daraz publication and should be reviewed and replaced with verified, up-to-date policy text before real-world use.
